Work Experience

Video Designer @ [Freelancer.com](#)

September 2019 - up to now | Ukraine

- Tell me your vision and I will make it reality.
Over the last 5 years I have been working on everything that is connected with videos. I have
 - directed, created and edited videos, short films, presentations, commercials, did multiple
 - color corrections, etc. I did everything that was connected with videos in a flawless and
 - timed manner: <https://www.freelancer.com/u/mrikiro>
